Occupation: Backend

Gender: M

Phone: 09170-21299

Email: amoldhoke07@gmail.com

Birth Date: Feb. 2, 1995

Personality: I am serious

Smoker: No

Experience: Yes

Salary expectation: Between (7 Lakhs and 10 Lakhs)

Presentation: You could talk about your hobbies or interests, such as a passion for playing music or a love for reading. You might share a story about a particular challenge you've overcome, such as learning a new language or running a marathon. Or, you could discuss a meaningful experience, such as volunteering in your community or traveling to a foreign country. When generating a topic to talk about yourself, it's important to keep it appropriate and relevant to the context of the conversation. You don't want to overshare personal details or veer off-topic into something that isn't appropriate. Remember to be confident and authentic in your presentation, and try to convey your personality and values through your words.
